Click on **SUBMIT**

The screenshot shows a dashboard with a blue sidebar on the left containing icons for Home, Settings, Dashboard, Upload Data, and Logout. The main content area has a header with four dropdown menus: 'Ship Name' (selected: SHIP 1), 'Equipment Name' (selected: GAS TURBINE), 'Select Nomaenclature' (selected: GT 1), and 'Select Parameter' (selected: Temperature, Pressure). A red 'SUBMIT' button is located to the right of the 'Select Parameter' dropdown.

## STEP 7

Blinking of the graph in red color indicates the crossing of a threshold, i.e., the maximum value assigned.

STEP 8
