STEP 2

Select Ship, Category, Class, Command, Department. Click on Add New equipment to Create new equipment

A screenshot of a web application form for adding new equipment. The form is divided into two main sections. The top section contains several dropdown menus for 'Ship Name', 'Ship Category', 'Ship Class', 'Command', 'Equipment Name', and 'Nomenclature'. The 'Ship Name' dropdown is open, showing options like 'INS CHENNAI', 'INS KOCHI', 'INS KOLKATA', 'SHIP 1', and 'SHIP 2'. The 'SHIP 1' option is highlighted with an orange border. To the right of these dropdowns are three buttons: 'SAVE', 'LOAD SYSTEM', and 'NEXT STAGE'. The bottom section has two radio buttons: 'Add New Equipment' (selected) and 'Add Children Components'. Below these are three input fields for 'Equipment Name', 'CMMS ID', and 'Nomenclature', each with a small 'i' icon. At the bottom of this section are 'CLEAR' and 'CREATE' buttons. A vertical sidebar on the left contains navigation icons for home, settings, and other functions.
